**A Networking and Resource Center  
to advance an**

**Equitable, Affordable, Patient-Centered Healthcare System**

## ABOUT THE HUB

With support from the Robert Wood Johnson Foundation, the Healthcare Value Hub provides free, timely information about the policies and practices needed to achieve an equitable and affordable health system that focuses on the goals and needs of the people it serves.

The Hub offers both online and hands-on support, with a staff dedicated to monitoring, translating and disseminating evidence, as well as connecting advocates, researchers and policymakers to build communities and create momentum toward a patient-centered, high-value healthcare system.

## OUR FOCUS

### Cost & Quality Problems

Costs are too high and quality is uneven. Why aren't consumers getting more value for their healthcare dollar?

### Improving Value

There are many ideas for improving health care value. But which ones work?

### Advocate Resources

Advocates make a difference. The Hub's resources can help.

### State News
